

## Lesson Programs

### Beginner Options

**Private lessons:** \$75

These students need assistance and supervision tacking and untacking their horses. This option is required for beginners, as they must learn the importance of working around horses while being safe and confident. These riders will get around 30 minutes of ride time with 30 minutes of work on the ground.

**Semi-private:** \$60

An ideal option for friends, family members, or significant others learning to ride together.

### New Clients Only

**Evaluation lesson:** \$75 (for one hour)

New clients will be evaluated on their level of riding and their safety skills when working around the animals. For new client intake only.

### Novice, Intermediate, and Advanced Rider Options

**Half-hour private:** \$70

**Group or semi-private:** \$65

### Payments & Schedule

Pre-payment (one-month in advance) for lessons. Due by the 1st of the month. Please watch for the release of our Summer 2021 Camp Schedule. **Space will be limited** due to COVID restrictions.
